NOTE

Dated 17th April 1930

DEWAN'S OFFICE 19 APR 1930 No. 869

GEN SECT REV PLANNG 21 APR 1930

5130

General Secretary

The village of Sondekoppa, which ranks third for the whole Nelamangala Taluk in point of population and importance is in a condition of neglect There is any amount of scope for its improvement It is necessary that the Amildar should pay special attention to this matter He should halt in the village for a few days every week divide the village into several ~~mohallas~~ blocks each ~~mohalla~~ block under a committee of persons of the locality looking after its sanitation etc get the committees to evince special interest in the improvement of their respective ~~mohallas~~ blocks by means of local labour Under this arrangement the Adi-Karnatakas would improve their mohalla the Vokkaligars theirs and so on so that the sanitary improvement of the village will receive attention simultaneously The services of the Economic Lecturer should be available to persuade the people to look to the tidying up of their homes and surroundings and lead healthy lives A co-operative society may be started for the benefit of the Adi-Karnataka residents

I shall be glad if action is taken on these lines

Sir

I am directed to state that it was observed by the Dewan during his visit to Sandeshoppa village, Nelamangala taluk, that it is in a condition of neglect. It is necessary that the Amildar should pay special attention to this village. He should halt in the village for a few days every week, divide the village into several blocks each block under a Commissioner

CIRCULAR

Instances have come to the notice of Government that their instructions about the improvement of villages have not been carried out and that several villages are therefore in a badly neglected condition. Government desire that Amildars should henceforth pay special attention to this item of their work They should halt in select villages for a few days every week, divide the village into blocks, each block being placed under a committee looking after its sanitation etc , and get the Committees to evince special interest in the improvement of their respective blocks by means of local labour The services of the Economic Lecturers and other officers ~~of the kind~~ should be utilised for the purpose of perusading the people to look to the tidying up of their houses and surroundings and to lead healthy lives Government look to the Deputy Commissioners of Districts to see that this important matter receives the fullest possible attention of

their subordinate revenue authorities
